1 Foreword

AIMC 0009-2006 was issued by China Automatic Identification Technology Association on 15 December 2006.

It was issued by an industry association rather than by a government body: it applies to those who adopt it, by contract or by declaration of conformity.

The document runs to 7 pages in English translation.

2 Scope Preview

This standard specifies the definition of automatic identification of enterprises, and enterprises in main types of automatic identification and evaluation.

AIMC 0009-2006 carries no ICS number and no Chinese Standard Classification code.

This catalogue holds 8 other AIMC standards.

The AIMC documents in this catalogue all carry the edition year 2006.
