3 Terms and definitions

Foreword

This document is in accordance with the provisions of GB/T 1.1-2020 "Guidelines for Standardization Work Part 1: Structure and Drafting Rules of Standardization Documents" Drafting.

This document replaces GA 420-2008 "Police Riot Suits". Compared with GA 420-2008, in addition to structural adjustments and editorial changes, the main the main technical changes are as follows.

---Added terms and definitions (see 3.5~3.10);

---Changed the classification and code (see Chapter 4, Chapter 4 of the 2008 edition);

--- Changed and added general requirements (see 5.1, 5.1, 5.4, 5.5 of the 2008 edition);

--- Changed and increased appearance requirements (see 5.2, 5.2 of the 2008 edition);

--- Added color (see 5.3);

--- Changed the protection area (see 5.4, 5.6 of the 2008 edition);

--- Changed the quality (see 5.5, 5.3 of the 2008 edition);

--- Changed materials and connectors (see 5.6, 5.7 in 2008 edition);

--- Changed the impact resistance (see 5.7, 5.8 in the 2008 edition);

---Changed the energy absorption performance (see 5.8, 5.9 in the 2008 edition);

---Changed the anti-stab performance (see 5.9, 5.10 of the 2008 edition);

--- Changed the temperature adaptability (see 5.11, 5.11 of the 2008 edition);

---Change the test methods of materials and connectors (see 6.6, 6.5 in the 2008 edition);

--- Changed the impact resistance test method (see 6.7, 6.6 of the 2008 edition);

---Changed the stab resistance test method (see 6.9, 6.8 in the 2008 edition);

This document was proposed and managed by the National Police Equipment
