## 1 Foreword

BB/T 0017-1999 was issued by Ministry of Industry and Information Technology of the People's Republic of China on 16 September 1999 and has been in force since 1 October 1999.

The BB/T prefix marks a recommended standard. It is not law in itself: it becomes binding when a contract names it, when a regulation or a mandatory standard refers to it, or when a producer declares conformity with it.

The document runs to 5 pages in English translation.

## 2 Scope Preview

This standard specifies the composite plastic film, plastic woven cloth made of aluminum and aluminum composite fabric product classification, technical requirements, test methods, inspection rules and signs, packaging, transportation and storage. This standard applies to aluminum composite fabric manufacture, use, distribution, and supervision and inspection of the product.
