1 Foreword

BB/T 0040-2007 was issued by Ministry of Industry and Information Technology of the People's Republic of China on 6 March 2007 and has been in force since 1 September 2007.

The BB/T prefix marks a recommended standard. It is not law in itself: it becomes binding when a contract names it, when a regulation or a mandatory standard refers to it, or when a producer declares conformity with it.

The document runs to 11 pages in English translation.

2 Scope Preview

This standard specifies the assembled plywood box, the structure, terms and definitions, requirements, test methods, inspection rules and signs, packaging, transportation and storage. This standard applies to carrying no more than 2000kg, and integrated dimension of less than 6m assembled plywood box.
