1 Foreword

CB 30000.1-2021 was issued by Ministry of Industry and Information Technology of the People's Republic of China on 27 December 2021 and has been in force since 1 March 2022.

It is one of 6 parts of the CB 30000 series.

2 Scope

This standard stipulates the categories, structure and writing principles of military industry standards, and stipulates the standard name, level, rules for writing and expressing elements, and the format of the standard. This standard applies to the preparation of military industry standards. Other standardized documents are prepared with reference. Note: Without causing confusion, the "military industry standards" in this standard are referred to as "standards".

3 About this standard

Issued by: Ministry of Industry and Information Technology of the People's Republic of China
