1 Foreword

CB/T 4119-2016 was issued by Ministry of Industry and Information Technology of the People's Republic of China on 5 April 2016 and has been in force since 1 September 2016.

The CB/T prefix marks a recommended standard. It is not law in itself: it becomes binding when a contract names it, when a regulation or a mandatory standard refers to it, or when a producer declares conformity with it.

The document runs to 8 pages in English translation.

2 Scope Preview

This standard specifies the pre-installation preparation and tailing oil cable winch installation, tail oil hose winch installation, A-frame installation, floating hose installation and pressure test, integrity check and other requirements.

CB/T 4119-2016 carries no ICS number and no Chinese Standard Classification code.

This catalogue holds 772 other CB/T standards.
