1 Foreword

CB/T 4297-2018 is issued by Ministry of Industry and Information Technology of the People's Republic of China.

The CB/T prefix marks a recommended standard. It is not law in itself: it becomes binding when a contract names it, when a regulation or a mandatory standard refers to it, or when a producer declares conformity with it.

The document runs to 10 pages in English translation.

2 Scope Preview

This standard stipulates the safety requirements and management requirements for the operation and protection of gamma ray and X-ray inspection operations of shipbuilding and repairing enterprises. This standard is applicable to gamma ray and X-ray inspection operations of shipyards, and is used by other companies in the shipbuilding industry.

CB/T 4297-2018 is filed under Chinese Standard Classification U09, in the field of
