1 Foreword

CB/T 4486-2018 is issued by Ministry of Industry and Information Technology of the People's Republic of China.

The CB/T prefix marks a recommended standard. It is not law in itself: it becomes binding when a contract names it, when a regulation or a mandatory standard refers to it, or when a producer declares conformity with it.

The document runs to 11 pages in English translation.

2 Scope Preview

This standard specifies the management, technical and operational safety requirements for ships entering and leaving the floating dock and in the dock. This standard is applicable to the operation of ships and marine structures in and out of floating docks and docks.

CB/T 4486-2018 is filed under Chinese Standard Classification U09, in the field of shipbuilding.
