1 Foreword

CB/T 4487-2018 is issued by Ministry of Industry and Information Technology of the People's Republic of China.

The CB/T prefix marks a recommended standard. It is not law in itself: it becomes binding when a contract names it, when a regulation or a mandatory standard refers to it, or when a producer declares conformity with it.

The document runs to 8 pages in English translation.

2 Scope Preview

This standard specifies the responsibilities and safety requirements for the berthing operations of ships and marine structures. This standard is applicable to the safety management of ships and marine structures moving in various shipbuilding and repairing enterprises (including shelter from wind to anchorage).

CB/T 4487-2018 is filed under Chinese Standard Classification U09, in the field of
