1 Foreword

CB/T 4511-2020 was issued by Ministry of Industry and Information Technology of the People's Republic of China on 12 September 2020 and has been in force since 1 April 2021.

The CB/T prefix marks a recommended standard. It is not law in itself: it becomes binding when a contract names it, when a regulation or a mandatory standard refers to it, or when a producer declares conformity with it.

The document runs to 15 pages in English translation.

2 Scope Preview

This standard specifies the scope and items of special operations personnel in shipbuilding industry enterprises, management responsibilities, training requirements, job and management requirements, information account, review requirements, on-site management, etc. This standard applies to the management of special operations personnel in shipbuilding enterprises.
