1 Foreword

CB/T 4513-2020 was issued by Ministry of Industry and Information Technology of the People's Republic of China on 31 August 2020.

The CB/T prefix marks a recommended standard. It is not law in itself: it becomes binding when a contract names it, when a regulation or a mandatory standard refers to it, or when a producer declares conformity with it.

The document runs to 15 pages in English translation.

2 Scope Preview

This standard specifies the design and installation requirements of the hydraulic rack and pinion lifting system for jack-up platforms. This standard applies to the design, installation and inspection of the hydraulic rack and pinion lifting system of the jack-up platform with round legs.

CB/T 4513-2020 carries no ICS number and no Chinese Standard Classification code.
