1 Foreword

CB/T 4514-2020 was issued by Ministry of Industry and Information Technology of the People's Republic of China on 12 September 2020 and has been in force since 1 April 2021.

The CB/T prefix marks a recommended standard. It is not law in itself: it becomes binding when a contract names it, when a regulation or a mandatory standard refers to it, or when a producer declares conformity with it.

The document runs to 15 pages in English translation.

2 Scope Preview

This standard specifies the hidden hazards, management responsibilities, basic requirements for hidden hazard investigations, and implementation requirements for hidden hazards investigations for enterprises and institutions in the shipping industry. This standard applies to the investigation of hidden dangers of enterprises in the shipping industry.
