1 Foreword

CB/T 4538-2023 was issued by Ministry of Industry and Information Technology of the People's Republic of China on 21 April 2023 and has been in force since 1 November 2023.

The CB/T prefix marks a recommended standard. It is not law in itself: it becomes binding when a contract names it, when a regulation or a mandatory standard refers to it, or when a producer declares conformity with it.

The document runs to 15 pages in English translation.

2 Scope Preview

This standard stipulates the level, management responsibilities, change type and scope, change management requirements, etc. of safety production changes for enterprises and institutions in the shipping industry (referred to as enterprises). This standard applies to the management and control of enterprise change matters.

CB/T 4538-2023 falls under ICS 13.100, in the field of environment and health protection,
