1 Foreword

CH/T 9014-2012 was issued by Ministry of Natural Resources of the People's Republic of China on 26 October 2012.

The CH/T prefix marks a recommended standard. It is not law in itself: it becomes binding when a contract names it, when a regulation or a mandatory standard refers to it, or when a producer declares conformity with it.

The document runs to 8 pages in English translation.

2 Scope Preview

This standard specifies the digital city geographic information public platform during operation in the data, form and reach requirements, function, routine maintenance and other services should support the continued operation of the content.

CH/T 9014-2012 falls under ICS 07.040, in the field of natural and applied sciences.

This catalogue holds 64 other CH/T standards in that field.
