1 Foreword

CH/T 9023-2014 was issued by Ministry of Natural Resources of the People's Republic of China on 18 December 2014.

The CH/T prefix marks a recommended standard. It is not law in itself: it becomes binding when a contract names it, when a regulation or a mandatory standard refers to it, or when a producer declares conformity with it.

The document runs to 9 pages in English translation.

2 Scope Preview

CH/T 9023-2014 is filed under Chinese Standard Classification A 75, in the field of general, standardization and metrology.

This catalogue holds 59 other CH/T standards without an ICS number.

In this catalogue, CH/T standards carry edition years from 1999 to 2024.
