1 Foreword

CJ 94-2005 was issued by Ministry of Housing and Urban-Rural Development of the People's Republic of China on 16 May 2005 and has been in force since 1 October 2005.

It replaces the earlier edition CJ 94-1999.

The CJ prefix, without a suffix, marks a mandatory standard: within its scope, compliance is required.

2 Scope Preview

This standard is applicable to water quality standards for fine drinking water. This standard is applicable to piped direct-drinking water that is obtained with tap water or source water meeting the quality standard of drinking water as raw water and can be supplied to users for direct drinking after re-purification.

CJ 94-2005 falls under ICS 13.060, in the field of environment and health protection, safety.

This catalogue holds 1 other CJ standards in that field.
