1 Foreword

CJJ/T 110-2017 was issued by Ministry of Housing and Urban-Rural Development of the People's Republic of China on 15 May 2017 and has been in force since 1 November 2017.

It replaces the earlier edition CJJ 110-2006.

The CJJ/T prefix marks a recommended standard. It is not law in itself: it becomes binding when a contract names it, when a regulation or a mandatory standard refers to it, or when a producer declares conformity with it.

2 Scope Preview

This standard applies to residential buildings and residential pipe drinking water system design, construction, acceptance, operation and maintenance and management.

CJJ/T 110-2017 falls under ICS 91.140.60, in the field of construction materials and building.

This catalogue holds 59 other CJJ/T standards in that field.

In this catalogue, CJJ/T standards carry edition years from 1993 to 2023.

3 About this standard

Issued by: Ministry of Housing and Urban-Rural Development of the People's Republic of China

English translation: about 54 pages

Chinese original: about 81,886 characters

Supersedes the earlier edition CJJ 110-2006.
