9 Civil works

1 Foreword

CJJ/T 120-2018 was issued by Ministry of Housing and Urban-Rural Development of the People's Republic of China on 18 October 2018 and has been in force since 1 March 2019.

It replaces the earlier edition CJJ 120-2008.

The CJJ/T prefix marks a recommended standard. It is not law in itself: it becomes binding when a contract names it, when a regulation or a mandatory standard refers to it, or when a producer declares conformity with it.

2 Scope Preview

CJJ/T 120-2018 is filed under Chinese Standard Classification P 41, in the field of engineering construction.

This catalogue holds 97 other CJJ/T standards without an ICS number.

In this catalogue, CJJ/T standards carry edition years from 1993 to 2023.

3 About this standard

Issued by: Ministry of Housing and Urban-Rural Development of the People's Republic of China

English translation: about 107 pages

Chinese original: about 162,177 characters

Supersedes the earlier edition CJJ 120-2008.
