1 Foreword

CJJ/T 211-2014 was issued by Ministry of Housing and Urban-Rural Development of the People's Republic of China on 24 June 2014 and has been in force since 1 March 2015.

The CJJ/T prefix marks a recommended standard. It is not law in itself: it becomes binding when a contract names it, when a regulation or a mandatory standard refers to it, or when a producer declares conformity with it.

The document runs to 27 pages in English translation.

2 Scope Preview

This standard applies to new and expansion, and formally put into operation more than a year full of manure treatment plant evaluation. Phased construction soil treatment plant, according to the standards that have been completed and put into operation a
