1 Foreword

CJJ/T 229-2015 was issued by Ministry of Housing and Urban-Rural Development of the People's Republic of China on 5 February 2015 and has been in force since 1 October 2015.

The CJJ/T prefix marks a recommended standard. It is not law in itself: it becomes binding when a contract names it, when a regulation or a mandatory standard refers to it, or when a producer declares conformity with it.

The document runs to 29 pages in English translation.

2 Scope Preview

This standard is applicable to the design, construction, acceptance and operation management of new construction, extension or alteration permanent works that pretreatment of micro-polluted water by urban water supply. Not suitable for the special pollution of water for pretreatment of water supply projects.

CJJ/T 229-2015 falls under ICS 91.140.60, in the field of construction materials and building.

This catalogue holds 59 other CJJ/T standards in that field.

In this catalogue, CJJ/T standards carry edition years from 1993 to 2023.

3 About this standard

Issued by: Ministry of Housing and Urban-Rural Development of the People's Republic of China

English translation: about 29 pages

Chinese original: about 44,436 characters
