1 Foreword

CJJ/T 249-2016 was issued by Ministry of Housing and Urban-Rural Development of the People's Republic of China on 9 July 2016 and has been in force since 1 December 2016.

The CJJ/T prefix marks a recommended standard. It is not law in itself: it becomes binding when a contract names it, when a regulation or a mandatory standard refers to it, or when a producer declares conformity with it.

The document runs to 122 pages in English translation.

2 Scope Preview

This standard applies to urban water supply facilities, urban drainage and sewage treatment facilities, urban heating facilities, urban gas facilities, urban waste sanitary landfill facilities and urban waste incineration facilities and other municipal utilities operating units to develop personnel planning and job placement, occupation Training, competency training, career evaluation and so on. The administrative capacity of municipal utilities shall be in accordance with the provisions of the relevant national standards.

CJJ/T 249-2016 falls under ICS 91.010, in the field of construction materials and building.

This catalogue holds 59 other CJJ/T standards in that field.

In this catalogue, CJJ/T standards carry edition years from 1993 to 2023.
