9 Civil works

1 Foreword

CJJ/T 259-2016 was issued by Ministry of Housing and Urban-Rural Development of the People's Republic of China on 15 November 2016 and has been in force since 1 May 2017.

The CJJ/T prefix marks a recommended standard. It is not law in itself: it becomes binding when a contract names it, when a regulation or a mandatory standard refers to it, or when a producer declares conformity with it.

The document runs to 51 pages in English translation.

2 Scope Preview

This standard is applicable to the design, construction and commissioning, acceptance, operation and maintenance of the new urban gas automation system.

CJJ/T 259-2016 is filed under Chinese Standard Classification P 47, in the field of engineering construction.

This catalogue holds 97 other CJJ/T standards without an ICS number.

In this catalogue, CJJ/T standards carry edition years from 1993 to 2023.

3 About this standard

Issued by: Ministry of Housing and Urban-Rural Development of the People's Republic of China

English translation: about 51 pages

Chinese original: about 76,752 characters
