9 Civil works

1 Foreword

CJJ/T 289-2018 was issued by Ministry of Housing and Urban-Rural Development of the People's Republic of China on 18 December 2018 and has been in force since 1 May 2019.

The CJJ/T prefix marks a recommended standard. It is not law in itself: it becomes binding when a contract names it, when a regulation or a mandatory standard refers to it, or when a producer declares conformity with it.

The document runs to 64 pages in English translation.

2 Scope Preview

This standard is applicable to the new construction of the saline-alkali land in the main distribution area of ??saline-alkaline soil in China, and the expansion and reconstruction of various soil improvement projects.

CJJ/T 289-2018 is filed under Chinese Standard Classification P 51, in the field of engineering construction.

This catalogue holds 97 other CJJ/T standards without an ICS number.

In this catalogue, CJJ/T standards carry edition years from 1993 to 2023.

3 About this standard

Issued by: Ministry of Housing and Urban-Rural Development of the People's Republic of China

English translation: about 64 pages

Chinese original: about 96,957 characters
