9 Civil works

1 Foreword

CJJ/T 313-2022 was issued by Ministry of Housing and Urban-Rural Development of the People's Republic of China on 29 April 2022 and has been in force since 1 August 2022.

The CJJ/T prefix marks a recommended standard. It is not law in itself: it becomes binding when a contract names it, when a regulation or a mandatory standard refers to it, or when a producer declares conformity with it.

The document runs to 171 pages in English translation.

2 Scope Preview

This standard is applicable to drainage plumbers, drainage inspectors, drainage pump station operators, urban sewage treatment workers, sludge treatment workers, drainage scheduling workers, drainage customer service workers, drainage laboratory testing workers, and drainage instrument workers among the employees in the urban drainage industry. and other 9 types of occupational skills training assessment.

CJJ/T 313-2022 carries no ICS number and no Chinese Standard Classification code.

This catalogue holds 188 other CJJ/T standards.

Of the 91 CJJ/T standards that do carry an ICS number, 60 (66%) fall under ICS 91, in the field of construction materials and building.

3 About this standard

Issued by: Ministry of Housing and Urban-Rural Development of the People's Republic of China

English translation: about 171 pages

Chinese original: about 259,251 characters

4 Classification and status
