9 Civil works

1 Foreword

CJJ/T 315-2022 was issued by Ministry of Housing and Urban-Rural Development of the People's Republic of China on 19 January 2022 and has been in force since 1 June 2022.

The CJJ/T prefix marks a recommended standard. It is not law in itself: it becomes binding when a contract names it, when a regulation or a mandatory standard refers to it, or when a producer declares conformity with it.

The document runs to 33 pages in English translation.

2 Scope Preview

This standard applies to the construction, management, operation and maintenance of the basic platform of urban information model.

CJJ/T 315-2022 carries no ICS number and no Chinese Standard Classification code.

This catalogue holds 188 other CJJ/T standards.

Of the 91 CJJ/T standards that do carry an ICS number, 60 (66%) fall under ICS 91, in the field of construction materials and building.

3 About this standard

Issued by: Ministry of Housing and Urban-Rural Development of the People's Republic of China

English translation: about 33 pages

Chinese original: about 50,543 characters

4 Classification and status
