1 Foreword

CJJ/T 55-2011 was issued by Ministry of Housing and Urban-Rural Development of the People's Republic of China on 13 July 2011 and has been in force since 1 March 2012.

It replaces the earlier edition CJJ 55-1993.

The CJJ/T prefix marks a recommended standard. It is not law in itself: it becomes binding when a contract names it, when a regulation or a mandatory standard refers to it, or when a producer declares conformity with it.

2 Scope Preview

This standard applies to heating and related fields. Terms and their definitions for the central heating, heating to achieve the standardization of terminology, and promote the development of heating technology, the use of domestic and international exchanges, the development of this standard.
