1 Foreword

CJJ/T 67-2015 was issued by Ministry of Housing and Urban-Rural Development of the People's Republic of China on 9 January 2014 and has been in force since 1 September 2015.

It replaces the earlier edition CJJ 67-1995.

The CJJ/T prefix marks a recommended standard. It is not law in itself: it becomes binding when a contract names it, when a regulation or a mandatory standard refers to it, or when a producer declares conformity with it.
