9 Civil works

1 Foreword

CJJ/T 75-2023 was issued by Ministry of Housing and Urban-Rural Development of the People's Republic of China on 22 September 2023.

The CJJ/T prefix marks a recommended standard. It is not law in itself: it becomes binding when a contract names it, when a regulation or a mandatory standard refers to it, or when a producer declares conformity with it.

The document runs to 37 pages in English translation.

2 Scope Preview

This standard applies to the greening design of newly built, reconstructed, and expanded urban expressways, main roads, secondary roads, branch roads, as well as social parking lots and urban road intersections.

CJJ/T 75-2023 is filed under Chinese Standard Classification P 53, in the field of engineering construction.

This catalogue holds 97 other CJJ/T standards without an ICS number.

In this catalogue, CJJ/T standards carry edition years from 1993 to 2023.

3 About this standard

Issued by: Ministry of Housing and Urban-Rural Development of the People's Republic of China

English translation: about 37 pages

Chinese original: about 56,568 characters

4 Related standards

Standards on related subjects:

GB/T 16311-2024 - Specification and test method for road traffic markings

CJ/T 24-2018 - Woody seedling for green space and landscape

CJJ/T 85-2017 - Standard for classification of urban green space

CJJ 82-2012 - Code for construction and acceptance of landscaping engineering
