1 Foreword

CNASEC 062-2023 was issued by China National Accreditation Service for Conformity Assessment on 16 March 2023 and took effect the same day.

The CNASEC prefix marks a accreditation criteria document, not a standard.

The document runs to 4 pages in English translation.

2 Scope Preview

This standard specifies the principles, security and confidentiality, assessment and process of CNAS' remote assessment of certification bodies, verification and verification bodies. This standard applies to CNAS accreditation activities related to the remote assessment of certification bodies and verification and verification bodies. It is a supplement to the relevant content in the current CNAS accreditation specifications. Accreditation activities not involved in this standard are still carried out in accordance with the corresponding accreditation specifications.
