1 Foreword

CNASSC 165-2023 was issued by China National Accreditation Service for Conformity Assessment on 31 October 2023 and has been in force since 31 December 2023.

The CNASSC prefix marks a accreditation criteria document, not a standard.

The document runs to 7 pages in English translation.

2 Scope Preview

This standard specifies the specific requirements and guidelines that certification bodies that implement Good Manufacturing Practice (GMP) certification (hereinafter referred to as GMP certification) should comply with, and is applicable to CNAS's accreditation of certification bodies that implement GMP certification. 1.2 Part R of this standard is a supplementary provision and further explanation to the "Accreditation Rules for Certification Agencies" (CNAS-RC01). 1.3 Part C of this standard is a supplementary requirement to the "Requirements for Management System Certification Agencies" (CNAS_CC01). 1.4 Part G of this standard is a guide for the application of relevant accreditation criteria. 1.5 Except for

the special provisions or requirements of this standard, the accreditation rules formulated by CNAS and the accreditation guidelines and guidelines of management system certification bodies are applicable, and the requirements of these documents should be met at the same time.

CNASSC 165-2023 carries no ICS number and no Chinese Standard Classification code.

This catalogue holds 8 other CNASSC standards.

In this catalogue, CNASSC standards carry edition years from 2021 to 2023.

3 About this standard

Issued by: China National Accreditation Service for Conformity Assessment

English translation: about 7 pages

Chinese original: about 9,994 characters

4 Classification and status

Prefix CNASSC: accreditation criteria document, not a standard.
