1 Foreword

CNASSC 23-2022 was issued by China National Accreditation Service for Conformity Assessment on 10 December 2022 and took effect the same day.

It replaces the earlier edition CNASSC 23-2021.

The CNASSC prefix marks a accreditation criteria document, not a standard.

2 Scope Preview

This standard applies to the accreditation of forest certification agencies. In addition to the requirements of CNAS-CC02 "Requirements for Product, Process and Service Certification Bodies" and this standard, forest certification bodies should also meet other accreditation rules formulated by CNAS and the accreditation criteria and guidelines applicable to product certification bodies. Part R of this standard is the supplementary regulation and further explanation to the "Regulations for the Accreditation of Certification Bodies" (CNAS-RC01): Part C is the supplementary requirement to the "Requirements for Certification Bodies for Products, Processes and Services" (CNAS-CC02).
