1 Foreword

CNASTRC 016-2023 was issued by China National Accreditation Service for Conformity Assessment on 10 February 2023 and took effect the same day.

The CNASTRC prefix marks a accreditation criteria document, not a standard.

The document runs to 6 pages in English translation.

2 Scope Preview

This standard applies to the key factors that certification bodies need to consider when determining the technical content of Energy Management System (EnMS) certification documents, to ensure the consistency of content expressions in certification documents, and to ensure that the expression of certification scope is accurate and effective.

CNASTRC 016-2023 carries no ICS number and no Chinese Standard Classification code.

This catalogue holds 2 other CNASTRC standards.
