## 1 Foreword

CY/T 225-2020 was issued by State Press and Publication Administration on 16 November 2020 and has been in force since 1 February 2021.

The CY/T prefix marks a recommended standard. It is not law in itself: it becomes binding when a contract names it, when a regulation or a mandatory standard refers to it, or when a producer declares conformity with it.

The document runs to 4 pages in English translation.

## 2 Scope Preview

This standard specifies the common specifications and dimensions of the perimeter and length of the hollow gravure plate roller. This standard applies to the specification and size classification of hollow gravure printing plate rollers. The specification and size of the plate rollers with shafts can be referred to for use.

CY/T 225-2020 falls under ICS 37.100.01, in the field of image technology.

This catalogue holds 59 other CY/T standards in that field.

In this catalogue, CY/T standards carry edition years from 1991 to 2026.

## 3 About this standard

Issued by: State Press and Publication Administration

English translation: about 4 pages

Chinese original: about 6,695 characters
