1 Foreword

CY/T 36-2001 was issued by State Press and Publication Administration on 30 August 2001.

The CY/T prefix marks a recommended standard. It is not law in itself: it becomes binding when a contract names it, when a regulation or a mandatory standard refers to it, or when a producer declares conformity with it.

The document runs to 8 pages in English translation.

2 Scope Preview

This standard specifies: that should be included on the electronic publication Appearance general property information and special attribute information content and specifications labeling methods. This standard applies to: a variety of media forms electronic publications, does not apply to web publishing.

CY/T 36-2001 falls under ICS 35.240.30, in the field of information technology.

This catalogue holds 21 other CY/T standards in that field.

In this catalogue, CY/T standards carry edition years from 1991 to 2026.
