## 1 Foreword

CY/T 43-2007 was issued by State Press and Publication Administration on 16 November 2007 and took effect the same day.

The CY/T prefix marks a recommended standard. It is not law in itself: it becomes binding when a contract names it, when a regulation or a mandatory standard refers to it, or when a producer declares conformity with it.

The document runs to 4 pages in English translation.

## 2 Scope Preview

This standard specifies the terms of EVA -based laminating film, raw material requirements, process requirements, equipment requirements, environmental requirements and test methods. This part of the process applied to EVA -based composite laminating film and paper print control.

CY/T 43-2007 falls under ICS 37.100.01, in the field of image technology.

This catalogue holds 59 other CY/T standards in that field.

In this catalogue, CY/T standards carry edition years from 1991 to 2026.

## 3 About this standard

Issued by: State Press and Publication Administration

English translation: about 4 pages

Chinese original: about 6,669 characters
