1 Foreword

CY/T 73-2011 was issued by State Press and Publication Administration on 29 April 2011 and took effect the same day.

The CY/T prefix marks a recommended standard. It is not law in itself: it becomes binding when a contract names it, when a regulation or a mandatory standard refers to it, or when a producer declares conformity with it.

The document runs to 11 pages in English translation.

2 Scope Preview

This standard specifies the description and model of the basic business processes of the publication logistics. This standard applies to the organization of logistics business in our country to carry out publication logistics business process design, management and optimization.

CY/T 73-2011 is filed under Chinese Standard Classification A 01, in the field of general, standardization and metrology.

This catalogue holds 94 other CY/T standards without an ICS number.

In this catalogue, CY/T standards carry edition years from 1991 to 2026.
