1 Foreword

DA/T 65-2017 was issued by State Archives Administration on 2 August 2017.

The DA/T prefix marks a recommended standard. It is not law in itself: it becomes binding when a contract names it, when a regulation or a mandatory standard refers to it, or when a producer declares conformity with it.

The document runs to 13 pages in English translation.

2 Scope Preview

This standard specifies the functional requirements, technical parameters of the file rack intelligent management system and the unified interface standard of the file rack intelligent management system. This standard applies to all levels of national comprehensive archives, national special archives, department archives and institutions schools, enterprises and institutions archives (hall).

DA/T 65-2017 falls under ICS 01.140.20, in the field of generalities, terminology and
