1 Foreword

DA/T 82-2019 was issued by State Archives Administration on 16 December 2019 and has been in force since 1 May 2020.

The DA/T prefix marks a recommended standard. It is not law in itself: it becomes binding when a contract names it, when a regulation or a mandatory standard refers to it, or when a producer declares conformity with it.

The document runs to 12 pages in English translation.

2 Scope Preview

This standard specifies the general requirements for the use of document databases to store archive data.It proposes the use of document databases for storage and management. Basic functions and implementation methods of archive data. This standard applies to the storage of archive data by archives, agencies, organizations, enterprises and institutions at all levels.
