1 Foreword

DA/T 84-2019 was issued by State Archives Administration on 16 December 2019 and has been in force since 1 May 2020.

The DA/T prefix marks a recommended standard. It is not law in itself: it becomes binding when a contract names it, when a regulation or a mandatory standard refers to it, or when a producer declares conformity with it.

The document runs to 7 pages in English translation.

2 Scope Preview

This specification specifies the principles of archives emergency management, organization and duties, operation mechanism, management guarantee and supervision and management. This specification applies to emergency management of archives at various levels throughout the country.

DA/T 84-2019 is filed under Chinese Standard Classification A 14, in the field of general,
