1 Foreword

DB/T 95-2024 was issued by China Earthquake Administration on 1 March 2024 and has been in force since 1 September 2024.

2 Scope

This document specifies the basic requirements for the on-site verification report of earthquake and geomagnetic observation anomalies, the main contents of data collection and analysis, and the arrangement Format. This document is applicable to the preparation of on-site verification reports of earthquake and geomagnetic observation anomalies.

3 Normative references

GB/T 7714

4 About this standard

Issued by: China Earthquake Administration

English translation: about 13 pages

Chinese original: about 20,291 characters

5 Classification and status

International classification (ICS): 91.120.25

Chinese Standard Classification (CCS): P 15

Prefix DB/T: recommended standard.
