1 Foreword

DG/T 031-2019 was issued by Ministry of Agriculture of the People's Republic of China on 8 March 2019 and has been in force since 1 April 2019.

It replaces the earlier edition DG/T 031-2017.

The DG/T prefix marks a recommended standard. It is not law in itself: it becomes binding when a contract names it, when a regulation or a mandatory standard refers to it, or when a producer declares conformity with it.
