1 Foreword

DG/T 086-2022 was issued by Ministry of Agriculture of the People's Republic of China on 22 February 2022 and took effect the same day.

2 Scope

This standard specifies the identification content, methods and judgment rules for the promotion and identification of equipment for handling sick and dead livestock and poultry. This standard is applicable to the popularization and identification of drying machines and degradation machines (collectively referred to as processing equipment) for processing livestock and poultry carcasses.

3 About this standard

Issued by: Ministry of Agriculture of the People's Republic of China

English translation: about 9 pages

Chinese original: about 14,126 characters

4 Classification and status

Prefix DG/T: recommended standard.
