1 Foreword

DG/T 188-2023 was issued by Ministry of Agriculture of the People's Republic of China on 3 February 2023 and took effect the same day.

It replaces the earlier edition DG/T 188-2019.

The DG/T prefix marks a recommended standard. It is not law in itself: it becomes binding when a contract names it, when a regulation or a mandatory standard refers to it, or when a producer declares conformity with it.

2 Scope Preview

This standard specifies the identification content, methods and judgment rules for the promotion and identification of jujube picking machines. This standard is applicable to the promotion and identification of air suction stepping jujube picking machines.

DG/T 188-2023 carries no ICS number and no Chinese Standard Classification code.

This catalogue holds 99 other DG/T standards.
