1 Foreword

DG/T 192-2019 was issued by Ministry of Agriculture of the People's Republic of China on 3 February 2023 and took effect the same day.

The DG/T prefix marks a recommended standard. It is not law in itself: it becomes binding when a contract names it, when a regulation or a mandatory standard refers to it, or when a producer declares conformity with it.

The document runs to 8 pages in English translation.

2 Scope Preview

This standard specifies the identification content, methods and judgment rules for the promotion and identification of grain conveyors. This standard is applicable to the promotion and identification of belt type, spiral type, buried scraper type and bucket type grain conveyors.

DG/T 192-2019 is filed under Chinese Standard Classification J61, in the field of
