1 Foreword

DG/T 193-2019 was issued by Ministry of Agriculture of the People's Republic of China on 3 February 2023 and took effect the same day.

The DG/T prefix marks a recommended standard. It is not law in itself: it becomes binding when a contract names it, when a regulation or a mandatory standard refers to it, or when a producer declares conformity with it.

The document runs to 9 pages in English translation.

2 Scope Preview

This standard specifies the identification content, methods and judgment rules for the promotion and identification of agricultural product color sorters. This standard is applicable to the promotion and identification of equipment for color (shape) sorting of agricultural products (excluding tea leaves) in the shape of granules, slices, etc. (hereinafter referred to as color sorters).
