1 Foreword

DG/T 210-2019 was issued by Ministry of Agriculture of the People's Republic of China on 22 February 2022 and took effect the same day.

The DG/T prefix marks a recommended standard. It is not law in itself: it becomes binding when a contract names it, when a regulation or a mandatory standard refers to it, or when a producer declares conformity with it.

The document runs to 9 pages in English translation.

2 Scope Preview

This standard specifies the identification content, methods and judgment rules for the promotion and identification of straw bale pickers and collectors. This standard applies to traction and self-propelled wheeled bale picking and collecting palletizers (hereinafter referred to as stackers), bale picking loaders (hereinafter referred to as loaders), and bale picking machines (hereinafter referred to as pickers). Promote identification.
