1 Foreword

DG/T 281-2022 was issued by Ministry of Agriculture of the People's Republic of China on 22 February 2022 and took effect the same day.

The DG/T prefix marks a recommended standard. It is not law in itself: it becomes binding when a contract names it, when a regulation or a mandatory standard refers to it, or when a producer declares conformity with it.

The document runs to 8 pages in English translation.

2 Scope Preview

This standard specifies the identification content, methods and judgment rules for the promotion and identification of storage equipment for sick and dead livestock and poultry. This standard is applicable to the popularization and identification of fixed and vehicle-mounted storage equipment for sick and dead livestock and poultry (hereinafter referred to as storage equipment).
