1 Foreword

DG/T 283-2023 was issued by Ministry of Agriculture of the People's Republic of China on 3 February 2023 and took effect the same day.

The DG/T prefix marks a recommended standard. It is not law in itself: it becomes binding when a contract names it, when a regulation or a mandatory standard refers to it, or when a producer declares conformity with it.

The document runs to 15 pages in English translation.

2 Scope Preview

This standard specifies the identification content, methods and judgment rules for the promotion and identification of vegetable transplanters. This standard applies to the promotion and identification of vegetable transplanting machines and combined vegetable transplanting machines. Tobacco transplanter, tobacco combined transplanter and other dryland planting machinery (except rapeseed transplanter and rapeseed combined transplanter) can be implemented by reference.
