1 Foreword

DG/T 287-2023 was issued by Ministry of Agriculture of the People's Republic of China on 3 February 2023 and took effect the same day.

The DG/T prefix marks a recommended standard. It is not law in itself: it becomes binding when a contract names it, when a regulation or a mandatory standard refers to it, or when a producer declares conformity with it.

The document runs to 12 pages in English translation.

2 Scope Preview

This standard specifies the identification content, methods and judgment rules for the promotion and identification of onion harvesters. This standard applies to the promotion and identification of onion excavators (hereinafter referred to as excavators), onion pickers (hereinafter referred to as pickers) and onion combine harvesters (hereinafter referred to as combine harvesters).
