1 Foreword

DY/T 9-2025 was issued by State Film Administration on 20 January 2025 and took effect the same day.

The DY/T prefix marks a recommended standard. It is not law in itself: it becomes binding when a contract names it, when a regulation or a mandatory standard refers to it, or when a producer declares conformity with it.

The document runs to 13 pages in English translation.

2 Scope Preview

This standard specifies the technical requirements for projector systems for digital cinema projection and describes the corresponding measurement methods. This standard is applicable to guiding and regulating the research and development, production, testing and certification of projector systems for digital cinema projection.

DY/T 9-2025 falls under ICS 37.060.99, in the field of image technology.
